THE NEED

Programs have been advised to increase sanitation measures and minimize the sharing of materials between students to avoid the risks of COVID-19. For that to happen, we need your help gathering additional cleaning supplies and items for activities.

THE ASK

Help us purchase the supplies necessary to continue running safe and healthy after-school enrichment for our students!

AN ALTERNATIVE

In addition to purchasing necessary supplies, our team is working to recover from the financial impact of COVID-19. With all the uncertainty in the upcoming months, we need YOU more than ever to help ensure we are able to continue our work in supporting at-risk youth in Dallas.
