

Position: AmeriCorps VISTA

Organization: After-School All-Stars National Headquarters

Location: Los Angeles, California

Organization Background:

Founded in 1992, After-School All-Stars (ASAS) is a non-profit organization that provides free, daily after-school programs to as many as 90,000 disadvantaged youth across 19 chapters throughout the country. Offering comprehensive, school-based programs that combine academic, enrichment, career exploration, and health and fitness activities, ASAS empowers students, works to close the achievement and opportunity gaps, and prepares students to succeed in both school and life.

Hours and Living Allowance:

VISTA positions are full-time roles with a 12-month term of service. The Living Allowance is determined by AmeriCorps and indexed to the county in which you work; for Los Angeles County, the amount is \$829.36 bi-weekly.

A Unique Opportunity:

ASAS National is seeking a VISTA member to support the Individual Giving team. A successful candidate will be detail-oriented, innovative, personable, and eager to work in a collaborative environment. In this role the VISTA member will learn about the daily operations of a large, complex non-profit, reporting directly to the Senior Director of Individual & Planned Giving. This is a unique opportunity to help build a major fundraising campaign from the ground up and establish important relationships both inside and outside the organization.

Member Duties:

- Helping to launch an affinity group for female-identifying donors of ASAS
- Developing a framework for personal relationship building and long-term stewardship of ASAS donors
- Designing and iteratively refining year-round engagement opportunities for potential and existing ASAS supporters
- Other special projects as needed

Who should apply?

ASAS is seeking self-motivated candidates with excellent communication and organizational skills and a particular interest in the fields of youth development, education, and/or community outreach. A successful candidate will also embody ASAS' core values: entrepreneurial, proactive, transparent, collaborative, and accountable. There are no requirements for post-secondary education or non-profit experience in this role, but candidates with relevant skills are encouraged to share their vision of how they will support the organization.

Program Benefits:

AmeriCorps provides health coverage, childcare assistance if eligible, living allowance, professional development training, and an education award or stipend upon successful completion of service; ASAS will provide technology support and a \$100 monthly stipend toward food or rent.

HOW TO APPLY FOR THIS POSITION:

Please fill out an official AmeriCorps application through their portal; only applications submitted in this way can be considered. To find this position go to [My AmeriCorps - Home Page](#) and search for ASAS. If you have any trouble, please email davide.carozza@afterschoolallstars.org with "VISTA National" in the subject line.
